

About Us:

USA Security Systems Technologies, a division of Aegis Electronic Group, Inc., was launched in 2004 as a premier online distributor of high quality name brand professional and consumer audio and video, security and surveillance products at discounted pricing.

With a strong reputation for its reliability, quick shipping and good customer service, USASS combines easy to use software with state of the art hardware, offering integrators, OEMs and consumers the complete tools needed to reduce development costs and delivery times.
